THE 1928 BRONZE BOOK

DEDICATION

To a real friend of the students, President John G. Mitchell, whose earnest and efficient work for the good of Central during the eight years of his administration has given him a place of high esteem and great respect in the heart of every Central student, we dedicate this Bronze Book.

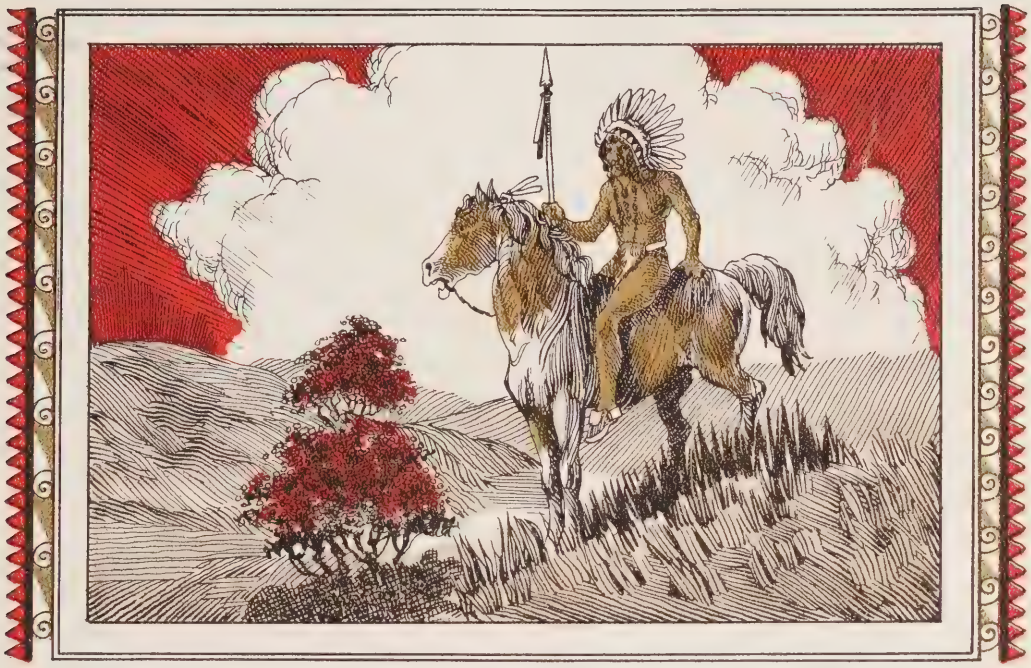

John G. Mitchell
PRESIDENT

FOREWORD

A symbol of your dearest memories of Central State Teachers College, may this Bronze Book be to you a pleasing record of the happy comradeship of 1927-1928. In the years to come, if this book recalls a single friendship, or lights a single face with pleasant memories, we shall feel that our work has not been in vain.

JOHN GORDON MITCHELL

"Now I mean by education that training which is given by suitable habits to the first instincts of virtue in children;—when pleasure, and friendship, and pain, and hatred are rightly implanted in souls not yet capable of understanding the nature of them, and who find them, after they have attained reason, to be in harmony with her. This harmony of the soul, taken as a whole, is virtue; but the particular training in respect of pleasure and pain, which leads you always to hate what you ought to hate, and love what you ought to love from the beginning of life to the end, may be separated off; and, in my view will be rightly called education."—Plato.

John Gordon Mitchell was born in Tennessee, September 14, 1878. He received his elementary education in the public schools of Tennessee and attended George Peabody College for Teachers. He received his Master's degree from the University of Oklahoma. Mr. Mitchell has been engaged in educational work in Oklahoma for twenty three years.

In 1919 Mr. Mitchell came to Central as president. The progress of the school has been remarkable. The enrollment has increased from four hundred thirty four to fifteen hundred students in the regular year. Three new building have been added, Mitchell Hall, Wantland Hall, and the Industrial Arts Building.

One of the first steps in Mr. Mitchell's progressive program was securing the recognition of Central by the North Central Association of Colleges and Secondary Schools. At the convention of the National Education Association in Boston, February 1928, Central State Teachers College was placed in the A-1 group of teachers' colleges.

All who come in contact with Mr. Mitchell either as student, faculty member, educator, or merely an acquaintance realize that his success is due to his thorough understanding of his work, his ability to read and understand human nature, his clear vision, his appreciation of scholarship, and above all to the fact that he is first and always interested in the welfare and progress of the students not only while they are in college but after they have entered their profession as teachers.

GRACE LIGEROT-HARRISON,
B. A.

Dean of Women

The ultimate aim of every dean of women is to make her students ideal women. Mrs. Harrison, as Dean of Women of Central State Teachers College, keeps in touch with the hundreds of girls under her, and also maintains successful co-operation with the (landladies), that they may function wisely and well. Keeping herself alert to the intellectual problems of the day, Mrs. Harrison is able to give advice on the many problems which are brought to her attention. Mrs. Harrison is a graduate of Liberty Ladies College at Liberty, Missouri, Tonkawa Preparatory School, and Central State Teachers College.

CHARLES W. WANTLAND,
B. A.

Dean of Men

In September 1927, the duties of the Dean of Men were assumed by Charles W. Wantland who has been associated with Central State Teachers College as a faculty member the past fifteen years. Because of his wide experience as an athlete and athletic director, Mr. Wantland is fully qualified to assist and advise the men students as need may be.

Department of English

Frances Coram Oakes, Head of the English Department, is closing his twenty-fifth year as a teacher in Central. He hopes to be able to continue his work in Central yet another twenty-five years, and he says that he has no other ambition at present. Mr. Oakes holds a Bachelor of Arts Degree from the University of Oklahoma and a Master of Arts Degree from the University of Chicago. He has been interested in languages and general literature. He has a reading knowledge of the Spanish, French, Latin and German languages, and speaks German. He urges all college students to take much care of their spoken and written English throughout their college course. Mr. Oakes was the first director of athletics in Central, and in April, 1904, staged the first athletic contest on Central's Campus.

L. B. Ray,
M. A.

L. B. Ray, the head of the Department of Education, has had somewhat unique training to fit him for the responsible work he is doing in the department. It has extended from a little village normal school in the hills of Kentucky to Central Indiana Teachers' College, the Indiana State University, and George Peabody College at Nashville, Tennessee. He worked out his B. S. and A. B. degrees in the Indiana College, did his A. B. and post-graduate work in Indiana University, and completed work for his A. M. degree and did work towards his doctors degree in George Peabody College.

His experience includes actual teaching in the one room school in Kentucky, Principalships of township, graded, and high schools of Indiana, principal of a city school and Superintendent of city school in Arkansas. This wide contact in actual teaching situations and pupil management has given him both poise and sound judgment n practical educational matters as they arise under classroom conditions.

Perhaps the word thoroughness most fitly characterizes Mr. Ray in the minds of the students of Central.

EMMA ESTILL-HARBOUR
M. A.

There is some outstanding characteristic about every woman which marks her and sets her apart from her associates. The outstanding characteristic of Mrs. Emma Estill-Harbour, Head of Department of History and Social Sciences, is her versatility. She can, and does, do everything.

Central Students know her as Head of History and Social Science, others know her as Coach of Expression and Debate, and still others know her as Chairman of School Activities.

You frequently hear students say, "Go to Mrs. Estill," if you want anything done, and usually these statements are absolutely right.

Emma Estill-Harbour, Head of Department of History and Social Sciences, received her Bachelor of Arts Degree from the Oklahoma College for Women, her Masters Degree from Oklahoma University. She has done Graduate work at Columbia University and Chicago University. She has her certificate in Expression from the American Academy of Dramatic Arts in New York.

She is a member of the Board of Directors of State Historical Society, State Vice-President of Administrative Women of the National Educational Association, Chairman of the History Department of the Oklahoma Educational Association. She is a member of the Pi Gamma Mu, National Honorary Social Science Fraternity. She is the Senior Sponsor, Club Advisor, and Debate Coach.

Mrs. Estill is never too busy to help students and give advice with a "Smile".

CLIFF R. OTTO

M. A.

Earnest Howell, of the Science department, has been closely associated with Central State Teachers College for the past 25 years, coming here as a student in 1903. He was graduated in 1911 and was chosen Valedictorian of his class. In 1915 he took his Bachelor of Arts Degree from the University of Oklahoma and in 1918 after several years experience as a teacher and superintendent, he returned to Central as head of the Science Department. As a faculty member of Central, Mr. Howell has been enthusiastic and co-operative in working for the good of the College.

Cliff R. Otto, head of the department of Chemistry and Biology, has been a member of Central's faculty for the past nine years and during that time has been active not only in affairs of this college but in state educational circles. Mr. Otto received his Bachelor of Arts and his Master of Arts degrees from the University of Oklahoma. He is a member of the American Chemical Society, the capable chairman of the Physical Science Section of the Oklahoma Academy of Science and President of the Oklahoma Collegiate Athletic Conference.

Agriculture Department

W. C. Jamieson, head of the Department of Agriculture, has had a varied experience as an educator in the schools of Oklahoma. Among the positions held by him before coming to Central were those of Country School Teacher, High School Principalship and Superintendent of City Schools at Stillwater. Mr. Jamieson took his Bachelor of Arts Degree at Campbell College, Holton, Kansas, and was also granted this degree by Kansas University. He is a graduate student of the University of Chicago and the University of Oklahoma. In 1905, he came to Central as head of the Training School and since that time has been head of the English Department two years, of the Biology Department for eight years and head of the Agriculture Department for the past eight years. This wide experience as a teacher helps Mr. Jamieson in making his classrooms not only a place where teachers of Agriculture may be trained but where teachers of any subject may be given help and inspiration.

Hattie Gray-Potter is a product of Central State Teachers College. She was born in Oklahoma; started her education in our Training School, graduated from the High School Department; secured her Life Certificate and left us to teach for two years and then to get married. She returned to Edmond in 1925 and received her Bachelor of Arts Degree in 1926. She was so well liked, and worked so earnestly that President Mitchell placed her on the Faculty, at the Head of the Commercial Department. Mrs. Potter is always ready and willing to help in every school activity. She is the Freshman Advisor and Sponsor for the Stirrups. When you need help you call on her and she is ready to assist.

GUY RANKIN
B. A.

Guy Rankin, Head of the Department of Penmanship, has been an instructor in Central the past four years. Before coming to Central, he held a similar position in Southwestern State Teachers College for two years. Mr. Rankin took special training from A. J. Creamer, L. H. Hausam of Emporia, Kansas, and was a student in Hills Business College in Oklahoma City. In 1926 he took his Bachelor of Arts Degree from Central.

Department of Mathematics

Edgar Wax, head of the Mathematics Department, took Bachelor of Arts degree from the University of Oklahoma in 1915 and since that time has completed work leading to his Masters Degree. In 1919, Mr. Wax became a member of Central's faculty after several years experience in the schools of Oklahoma as a teacher, High School Principal, and Superintendent. Mr. Wax has seen his department develop from a small, unimportant one into a larger and better equipped one which each year attracts more students to enroll in the interesting courses which are offered in this most exact of Sciences.

HEDWIG SCHAEFER
H. A.

Miss Hedwig Schaefer, an instructor in the Home Economics department, is a comparatively new member of Central's faculty but her enthusiastic interest in her work and in all student activities has gained for her a wide circle of friends among the students. Miss Schaefer received her Bachelor of Arts Degree from the University of Oklahoma and her Masters Degree from Columbia University.

Department of Music

Miss Lucile Leftwich, head of the Music Department of Central, was a student at Kidd-Key Conservatory of Music at Sherman, Texas, before entering the University of Oklahoma where she took her Bachelor of Music Degree. Miss Leftwich, who has been teaching in Central State Teachers College the past four years, is a member of the Mu Phi Epsilon, National Honorary Musical Sorority. Outstanding events in the Music Life of Central the past year have been the two splendid Chapel programs given by the Glee Clubs and the Presentation of the Operetta, H. M. S Pinafore.

John E. Williamson is the newest member of the physical education staff. He was born at Mulhall, Oklahoma. Part of his high school work was done at Perkins, but he finished his high school career at Central, making all of the teams while still in high school.

John is one of the few men who have lettered in the four major sports in Central and the only one who has made these letters since the school became a college.

Before becoming connected with his Alma Mater in the Fall of 1927 as assistant coach, Williamson gained valuable experience at Oilton, Hominy, and Chickasha, where he "turned out" out-standing high school teams that proved him to be one of the best coaches of the state.

ZONA SMITH

Zona Smith, Director of Girl's Physical Education, was born at Mound Valley, Kansas. Miss Smith attended the public schools of Kansas and Oklahoma before coming to Central College as a student. Later she went to Chicago where she received a Certificate of Recreation from the Recreation Training School. Since then she has attended the Peabody College at Nashville, Tennessee.

During the six years that Miss Smith has been connected with Central as a director of physical education she has made a place of high esteem in the hearts of the student body.

Administrative Force

W. T. Doyel has been Registrar of Central State Teachers College for the past four years. He has been associated with Central State Teachers College the past eight years as student, instructor and registrar. Central prides itself in having the largest and best equipped registration office of all the schools of the state. The system of registration, worked out by Mr. Doyel, the accuracy of compiling of records, the scheduling of classes, the cataloguing of courses, the courtesy extended to the students are surpassed by none and equalled by few. First, complete, courteous, and accurate are words that describe the Central State Teachers College Registration Office and the services rendered.

JOHN T. BUTCHER
M. A.

John T. Butcher, Director of the Training School, received his Bachelor of Arts Degree from the Kansas University and his Masters Degree in Education from the University of Oklahoma. He came to Central in the fall of 1926 after extended experience in School Administration in this State.

Mr. Butcher's work in the Training School is directed toward two ends, First: to Administer the School in such a way that the pupils may have the very best possible opportunity to do their grade work and at the same time furnish a suitable place for adequate training of practice teachers; and second: to bring about a more co-operative relationship between the Training School and the various departments of the College. This summer fully fifty different classes will be co-operating in the training of teachers by offering opportunity for practice teaching. To this end the Junior High School has been fully departmentalized and an extra Critic teacher added.

TUNE: "DIXIE".

With Whips and Spurs and Lassos too,
With Stirrups and Bronchos tried and true,
We're sure to win, we're sure to win, we're sure to win a victory!
We're glad we're with Old Central, hurrah! hurrah!
With Central's Broncs we'll take our stand to
To fight for Central's honor.
Hurrah! Broncos! Hurrah! let's have a —— ——!
Hurrah! Broncos! Hurrah! let's have a —— ——!

TUNE: "YANKEE-DOODLE".

Stirrups and Lassos, Whips and Spurs along with Central's Broncos,
They make a team which can't be beat and this we'll now prove pronto;
Make a goal and keep it up, make a goal a dandy!
Mind your pivot and your pass and with the ball be handy!

Club Contests

Almost all the social and intellectual activities of Central during the year 1927-1928 centered about the various organizations. Besides the regular inter-club debates, the T. O. K.'s with a team consisting of Susan Patty Lockett and Jenice Kingsolver met a team from the Oklahoma College for Women at Edmond on March 28. This same team also met the Ladies debate team of Southwestern College at Winfield, Kansas on March 12. The question which the girls debated was: Resolved, that the United States should cease to protect by armed force capital invested in foreign lands except after a formal declaration of war.

In the first contest of the year the Arena Club was all victorious over the Senate Club. The Arena was represented by Raymond Nichols and Walter Lockett, and in oration by Hurst Swiggart. The Senate Club was represented in debate by Otis Scott and Hardy Clemons, and in oration by William Denney. The question for debate was: Resolved, that Central should adopt a form of student government. In the second contest, the Arena Club won the debate while the Senate Club took the oration. Hurst Swiggart and Ralph Baird of the Arena debated the affirmative side of the question: Resolved, that there should be a national department of education with a secretary in the Presidents cabinet, constitutionality waived. The negative was upheld by James Conover and William Denney. The orators for the Senate and Arena were Otis Scott and Wayne Eshelman, respectively.

The girls debating clubs discussed the advisability of federal regulation of aviation. The Triumvirate club represented by Ruth Nichols and Inez Richter won over the T. O. K.'s represented by Susan Patty Lockett and Jeanne Shannon. In the second T. O. K.—Triumvirate contest, a T. O. K. team consisting of Jenice Kingsolver and Ethel Munson won over the Triumvirate team consisting of Thelma Ratcliff and Mary Black, on the triangular question.

The Lyceum Club won the Lyceum-Pioneer contest. Those who represented the Lyceum club: Mildred Henderson, reader, Geneva Dark, Pianist. Lelia Carpenter, Orator, Lester Sullins and John Venable, debaters. Members of the Pioneer club who took part in the contest were: Lorene Coone, reader; Carolyn Freeman, pianist; Velma Goodner, orator; Grace Rice and Vernon Sullins, debaters.

In oration Otis Scott represented Central in the Peace Contest at Norman, and Hurst Swiggart in the Old line State Contest.

Bonita Whorton represented Central in the State Reading Contest at Weatherford.

The contestants in the Triangular were Jenice Kingsolver and Susan Patty Lockett who went to Alva and defended the affirmative and Ralph Baird and Walter Lockett who remained at home and defended the negative side of the Triangular question. The alternates were Oscar Moore for the affirmative and J. V. Conover for the negative.

These debaters and orators were entertained with a banquet in appreciation for their splendid work.

Scholarships and Awards

Since 1922-1923 it has been customary to offer a scholarship of two hundred dollars to the student making the highest average during the school year. Any student in school is eligible for this scholarship except Seniors, but no student may receive it two successive years.

Much interest has been taken in the awarding of the scholarship and it has been a source of inspiration for many students to work more efficiently. Those who have been rewarded for their efforts are Miss Helen Lewis, Mrs. Elsie Turney, Miss Curtis, Miss Sidna Franklin, Miss Doris Sparks, and Mrs. Veda Malloy.

Another reward for high scholarship was offered at Central in the spring of 1924. Mrs. Emma Estill-Harbour offered a silver loving cup to become the permanent possession of the club whose members made the highest average for three terms.

For seven terms it was passed from club to club. During the eighth term the T. O. K. Club came into permanent possession of it. The second and third cups were won by the Triumvirate Club. The Clubs of Central are now contesting for a fourth cup which was offered by Mrs. Harbour in the fall of 1927. Thus far the cup has been won by the Triumvirate Club.

Mr. Marshall M. Gregory, one of Centrals debaters, offers a medal to the best debater in the college. In addition to being the best debater, the winner must fulfill certain qualifications as to character, scholarship, etc. This medal has been won by Lee Wade and Frances Cleaver.

The Lyceum-Pioneer Winner's medal was offered by Professor O. W. Jeffries in the spring of 1926 as a revival of the old medal offered by the faculty members to these clubs in the early days. The club which wins this medal three successive times comes into permanent possession of it. The Lyceum President is wearing it now as a result of the club having won the spring contest.

In Appreciation

The student body is grateful to the men and women of our faculty who have done their best to awaken within us a breadth of vision, lofty ideals, undying ambition, and loyalty to each other.

To those who have guided us throughout the year, who have inspired us with a desire to serve, and who have helped make this 1928 Bronze Book possible, we take this means of thanking and wishing a happy and prosperous future.

Athletics

Central can claim distinction because of her coaches as well as the victories won by her athletes. The dean of coaches of the Oklahoma Collegiate Circle is Charles W. Wantland, who has been director of athletics in Central since 1912.

Coach Wantland has been outstanding in Oklahoma as an athlete and a coach. He was the first, and one of only three men who have lettered in the four major sports at the Oklahoma University.

Under the coaching and direction of Coach Wantland, Central's teams have gained wide recognition as being clean and sportsmanlike in their matches as well as one of the strongest contenders in the state.

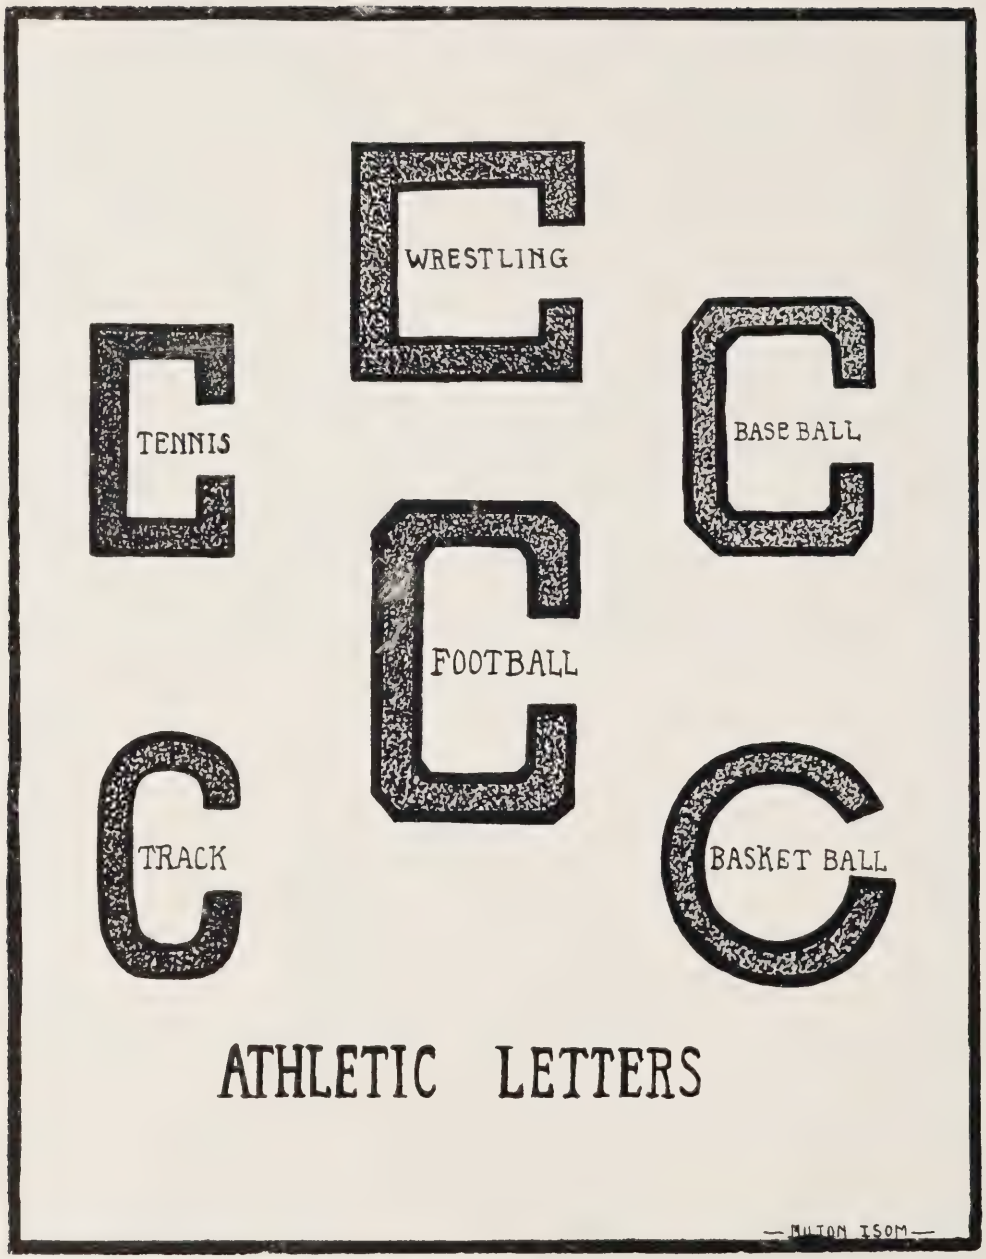

The girls' Physical Education Department in Central has shown rapid progress under the very efficient direction of Miss Zona Smith.

Miss Smith has served as head of this department for the past six years. Her dream was realized when our new Physical Education building was erected and as a result she is doing bigger and better things for the girls. Miss Smith was responsible for the organization of W. A. A. and Letter Girls' Club.

The other member of the coaching staff is John E. Williamson, who joined the faculty of Central at the beginning of the 1927-1928 year.

John won fame as an athlete in Central during his college days, he was one of the few men who have won letters in the four major sports in Central and the only one who has achieved such an honor since the school became a college.

Williamson had three years of experience as a high school coach before coming to Central, so he makes a valuable assistant to coach Wantland.

End

Although the Bronchos did not win the intercollegiate football pennant, the season of 1927 can be called a great success. Central was classed as a likely winner of the collegiate conference until toward the close of the season. The team's standing among its rivals was third.

The old friendly rival of the Bronze and Blue, the Oklahoma University, was let off with a tie, 14 to 14; and not until the very last part of the game was O. U. able to knot the score.

Besides these laurels of victory two Bronchos were placed on the all-state team; these men were: Jap Wood, (end), and Diamon Roach, (fullback).

As has been the usual custom for a number of year, Central was one of the teams to put on an exhibition game at the State Fair which was held at Oklahoma City.

The Oklahoma City University furnished the opposition in this fray. Here is an extract from the Vista on the game: "Carrying the ball from their own 45-yard line for a touchdown in the fourth quarter and kick-

Before one of the largest crowds that has ever filled the bleachers on Wantland Field the Central Warriors played the Homecoming game of 1927 with the Baptists, on October 22.

Tackle

This game furnished many thrills as well as chills to former Centralites. O. B. U. had never been able to conquer the mustangs that have roamed the plains around Central until this ill-fated day, and it was with sore but determined hearts to never allow another such victory that the Brones went to the corral that night.

The next week-end the wild caballos invaded Soonerland, and matched skill and brawn with the mighty giant of Missouri Valley fame. What a surprise the Bronchos proved to be for the haughty foe who decided that there must be other chickens in the pen although we will not admit it.

After this game Central played Southeastern, Southwestern and Phillips, winning two of the games.

Wrestling

Kenneth Cramer the well known athlete from Blackwell made his first letter in wrestling during this season, although he is a letterman in other sports. Cramer's work was outstanding and he swept the Oklahoma Collegiate Conference for Championship.

Walter Holt from Bristow is a man who has starred in football, track, and wrestling. On the grappling squad he works at 175 pound weight. Holt, who is only a sophomore, has become one of the outstanding athletes of Central. During his first year in College he won the Freshman Medal for best all-round athlete. Walt was all conference man in the light heavy weight wrestling division this year.

Ted Johnson of Comanche, a freshman, made his first letter in Central by his outstanding work in the 125 pound weight on the wrestling team. Although Johnson was late in starting his training for wrestling, the season being half over, he proved to be one of the best men in his division in the conference.

Ray Potter, an Edmond High School product, won the 115 pound conference championship, which was instrumental in giving Central the wrestling championship. Potter is one of the best wrestlers of the state; he is aggressive, fast, and a hard worker.

There were other men who did excellent work on the wrestling squad, and contributed much in the winning of the championship, but failed to letter because of various handicaps. These were: Bryan Watkins, William Barnes, Willard Compton, Chester Woodruff, Troy Manes, Jap Wood, Owen King, Glen Oakes, and John Swofford.

Basketball

FRANK (*Bud*) HYSON, Guard.....*Pawnee*

"Bud" has completed his third year for the Bronze and Blue.

RAY (*Frenchie*) COX, Center.....*Cement*

Ray is a two-year letterman. He never failed to get the tip at center.

CHARLES (*Chil*) ESHELMAN,
Forward, (Captain) *Pawnee*

Chil proved himself a capable leader by piloting our basketball the past season. Although short of stature Eschelman made up for that by speed, and possessing a keen eye for mid-court goal shooting.

FLOYD GLOVER, Guard.....*Fort Cobb*

Glover got a late start, but proved himself a very costly man. Great things are expected of him next year.

BEN CLEVELAND, Guard *Cement*

Ben is another Cement product. He is a good floor man, being exceptionally fast on his feet. Ben is Captain-elect for next year.

EDWARD KEISER, Center..... *Jones City*

"Ed" is a very estimable man, being used as both forward and center. When he gets under way he's hard to beat.

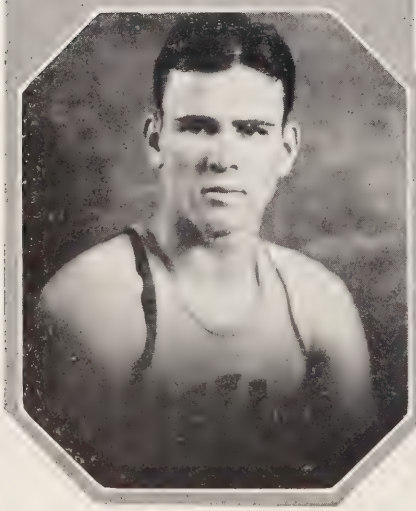

JOHN M. KING, Guard and Center, *Britton*

King made his letter playing at both guard and center. He is tall and rangy and exceptionally good at getting the ball off the back board.

ELDON (*Red*) WAGNER, Guard, *Cement*

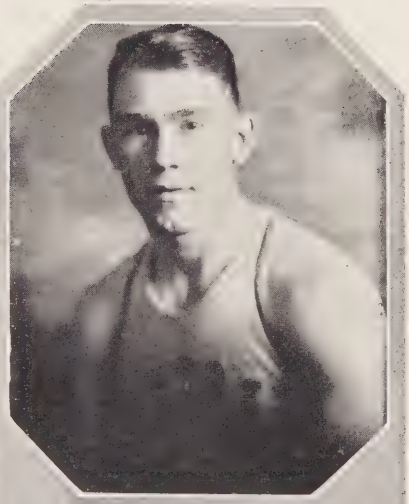

This is "Red's" third year. He is a good offensive and defensive man.

BERT NEWTON, Guard *Chickasha*

Newton is the big guard from Chickasha. Being both a good defensive and offensive man.

FRANK BLACKWELL, Forward *Cement*

Frank was a good offensive and defensive man. He was exceptionally good under the basket and kept up the Central fight.

REFORT STACK, Forward *Amber*

Stack was handicapped by injury early in the season, but soon made up for lost time. He will make a very valuable man next year.

JOHN COOLEY, Guard *Oklahoma City*

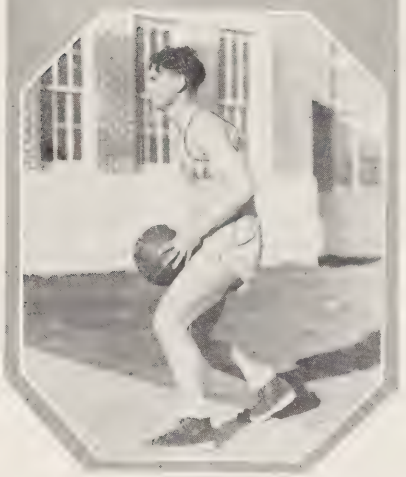

This is John's first year wearing the Bronze and Blue. He possesses a good basket ball head, and should make a wonderful basket ball player next year.

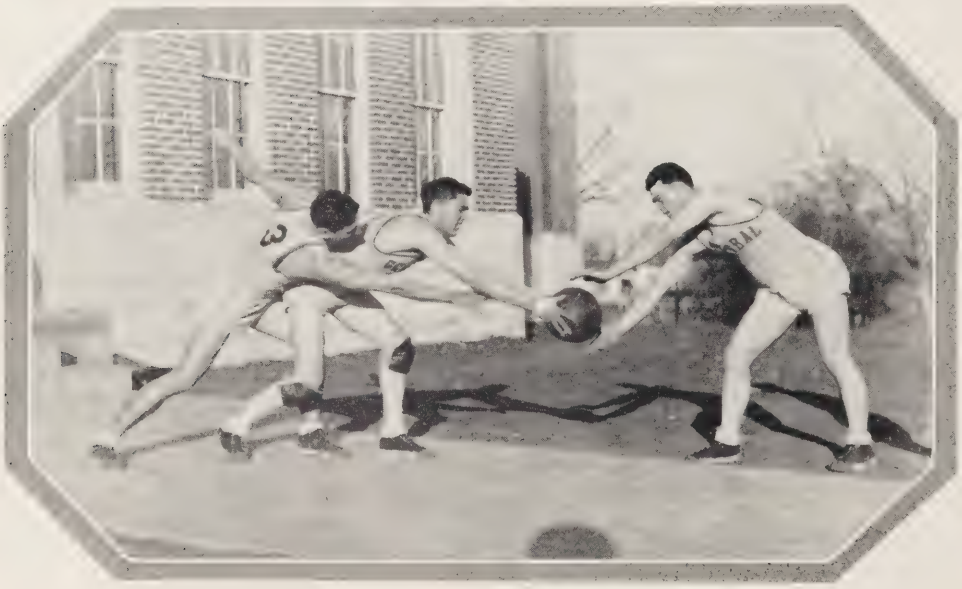

HERSHEL (*Red*) ELLIS, Forward, *Altus*
"Red" was especially a good offensive man. He was always in the game with the spirit of fight and could pass equally well with either hand.

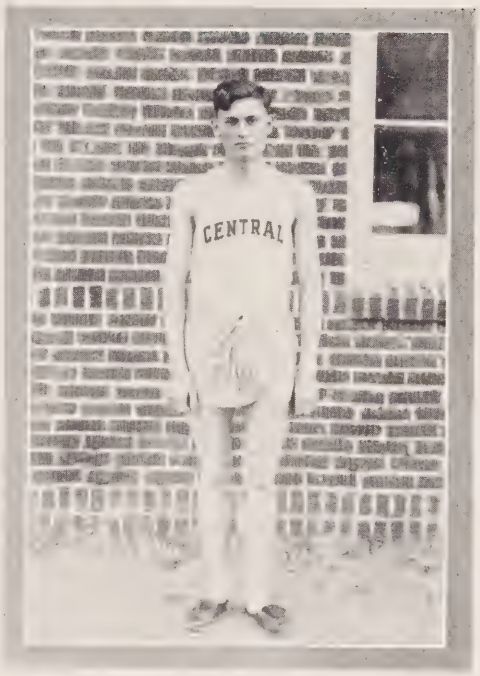

Track

Central's 1928 track team was able to deliver the goods, bring home the bacon, and show the other colleges of the state that the Bronchos are fancy steppers. With such outstanding men as Glen Dawson, Willard Compton, Walter Holt, William Zeeman, John King, George Taylor, Lewis Bullette and John Swofford to start the season it was evident that it was going to be a successful year for Central.

Glen Dawson, the Freshman from Skiatook, ran away from the field in all of the cross country events in the fall, then he went to Kansas City and entered the National meet, and although he ran under various handicaps, placed second.

In the dual meets in which Central participated she showed that her team was well balanced, and as a result won most of these. Then the boy's work in the intercollegiate contest was excellent as the result showed.

Coach Wantland is very optimistic regarding the 1929 season, as no men will be lost by graduation.

GLEN DAWSON

Baseball

Because of the fact that the coaching staff has been very limited until this year, Central has not participated in baseball for the past five years, but never-the-less she made a splendid showing. Some good men were developed and the Bronchos produced a winning team.

On the announcement of the opening of the season about 40 men reported to Coach Williamson and it soon became evident that there was some excellent talent in the group.

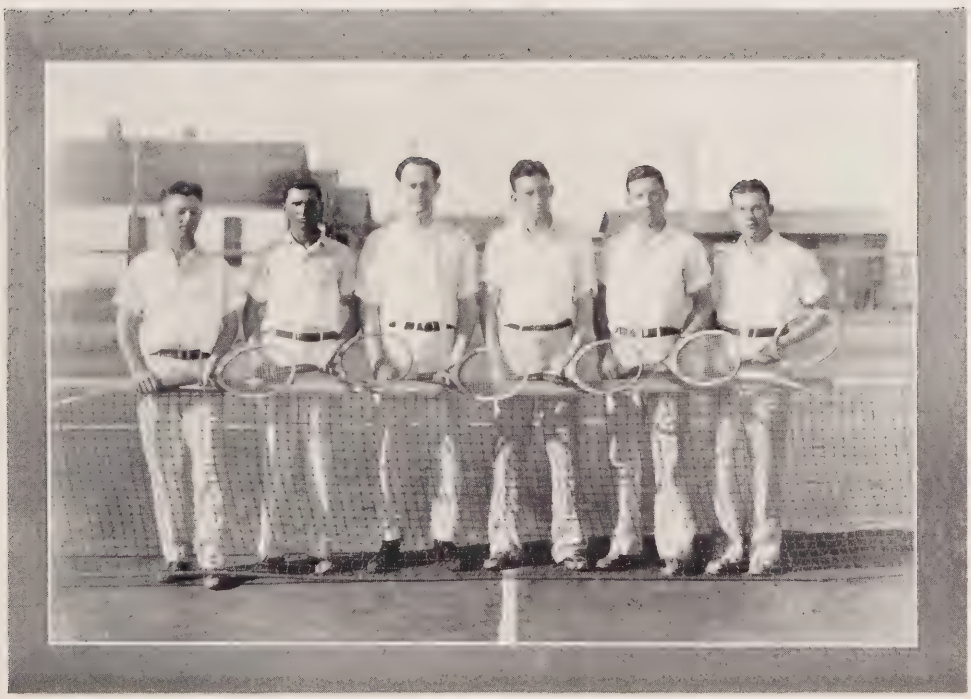

From the splendid showing this year it looks as if the Bronze and Blue will have one of the strongest college teams of the Southwest in the near future. Mr. Williamson says, "Give us a little time and we will put Central on the Baseball Map."

Tennis

The 1928 tennis squad is composed of new material. Indications are that they will continue to keep Central well to the front in Collegiate Tennis

The following are reporting for practice: Robert Spangler, Bruton Collier, Reed Waldron, Jack Ingram, Donald Ahrens, Lee Miller, Truitt Ross.

Broncho Lettermen's Club

The Lettermen's Club was first organized in the year 1922. And since that time has been having an active part in all athletic activities of Central State Teachers College. The name "Bronchos" was given to this organization by Mrs. Charles W. Wantland who was given honorary membership in the Club. This is without a doubt one of the best organizations in this school. This club is purely an athletic organization. The membership consists of all men who have earned athletic letters from this institution. The roster of this club dates back as far as those who took part in the athletics in 1899. However, the active membership consists of all lettermen who are enrolled in Central State Teachers College. The men who are on the squad trying out are known as pledges. This Club has regular meeting nights once a week from 7:30 to 8:30 where different athletic problems are discussed and sponsored by Coach Charles Wantland, director of Athletics.

The purpose of the Lettermen's Club as set forth by the preamble to the constitution is first, to perpetuate from year to year an active athletic association in Central; second, to promote and develop a spirit of good fellowship and feeling among the athletes in school; third, to bind closer the athletes in school and the Alumni interest in Athletics; fourth, to sponsor intercollegiate competition in the major and minor sports, and fifth, to try to interest young athletes to come to Central.

As means to induce young athletes to come to Central the Lettermens Club annually holds a basket ball tournament, open to all teams whose coach is a Central man.

The tournament this year was the largest and most successful the Club has ever held. Eighty-four teams entered, and seventy-eight reported to participate. The new Physical Education building easily accommodated the large number of athletic teams. At the annual Lettermens banquet that was given, plans were discussed for supplying Central squads with ample material for the different sports.

The Lettermen's cry for the coming year is "Bigger and better men for Central.

FACULTY RECEPTION

The reception given for former students as well as those coming to Central for the first time was a lovely affair. This was the first social event of the year and took place on September 15, 1927.

The President's office and the halls were decorated with autumn colors. The students were received by the President and Mrs. Mitchell together with the new faculty members.

BROWNING PARTY

One of the outstanding social events of the year was the party given by the Browning Club. The guests appeared in costume which added to the zest of the evening.

The party was given in the Administration building and the rooms were artistically decorated with autumnal colors.

L. W. Hannah and his group of merrymakers furnished music for the dancers. Various games were played by those who did not care to dance. Delicious punch was served during the evening.

SENIOR PICNIC

The seniors worked energetically all the afternoon of October 20, making the senior float for homecoming. After this labor, they rewarded themselves with a picnic on the campus back of the Administration building.

There were plenty of eats and 'tis said the worthy dignitaries did them full justice.

HOMECOMING PARTY

Following the precedent of 1926, the alumni enjoyed a party the evening of October 22. The old-timers enjoyed the fun and it was decided that old acquaintance should not be forgotten by any means.

SENATE BARBECUE

The Senate Club entertained with its annual barbecue during the homecoming festivities.

The Senators met their guests on the camp grounds and the great fire added to the feeling of good fellowship. Refreshments were served after some games had been enjoyed.

PIONEER PARTY

On October just before Halloween the Pioneer club entertained with an Autumn party. The evening was spent in playing old-fashioned games and singing. Delicious refreshments were served at the close of a pleasant evening.

SHAKESPEARE PARTY

The Shakespeares delightfully entertained the other clubs with a party on November 18. The rooms over the Cooper Drug Store were cleverly decorated in orange and black.

The guests were welcomed by Miss Pauline Watson.

The evening was spent in dancing and playing bridge.

T. O. K. DINNER PARTY

Mrs. Emma Estill-Harbour entertained the T. O. K. club at a birthday dinner on November 28, at the College Shop. Other guests were President and Mrs. John G. Mitchell and daughter, Miss Mary Gordon, and Miss Vivian Bethel.

The president of the club presented Mrs. Harbour with a bouquet of Chrysanthemums as a gift of appreciation for her interest in the club.

After the dinner the girls went to Mitchell Hall to hear the Cherniavsky Trio.

LASSO PARTY

The LassO party was one given by a pep club full of pep. Mrs. Harrison and Miss Bethel gave out the favors which were caps made by the pledges.

A number of the guests played bridge while others danced.

SENIOR CLASS CHRISTMAS PARTY

The class of '28 forgot its proverbial dignity at the party given on December 16. The rooms were decorated in colors appropriate to the festive season.

Mrs. Nella T. Hodgson directed the spirited games of the affair and it wasn't long until Santa came into the room with gifts for everybody. The real child's thrill of Christmas overcame the noble seniors and each acted in the sphere of tiny ones who eagerly await the arrival each year of Saint Nick.

Sacks of candy and fruit were distributed by Santa and his helpers.

TSA MO GA CLUB PARTY

An unique social affair was that given by the Tsa Mo Ga Club on January 20 in the Administration building. The guests came dressed as "kids" and had a pleasant evening playing old-fashioned games.

At one end of the room was a booth where lollypops and soda-pop served as refreshments.

TRIUMVIRATE PARTY

The members of the First Triumvirate entertained the college clubs and their sponsors with a valentine party on January 27.

The rooms were beautifully decorated with red hearts and carnations. At the close of the grand march each guest was favored with a bouquet of lollypops daintily tied with white ribbon and red hearts. The guests played bridge. Punch was served during the evening.

ARENA PARTY

The annual party given by the Arena Club was characterized by a rural atmosphere. About the rooms were huge bales of hay. The presence of these aided as well as the refreshments, in making the barn dance a success.

LETTERMAN'S BANQUET

A feature of the invitation tournament held in February was the Letterman's Banquet. This was given in the First Methodist church where the Women's Society served the boys with delicious food. The coach and captain of each team were present. A group of alumni also gathered about the hospitable board. There were many short, but interesting talks given on sports.

CRITERION PARTY

The Criterion Club entertained the Clubs of Central March 9, 1928 in Dr. McBrien's room.

During the first part of the evening the Criterions entertained their guests with their two short plays, "Manners and Modes" and "Seven to One."

Pink roses were placed throughout the room and these combined with silver decorations furnished a picturesque background.

Dainty refreshments were served during the evening.

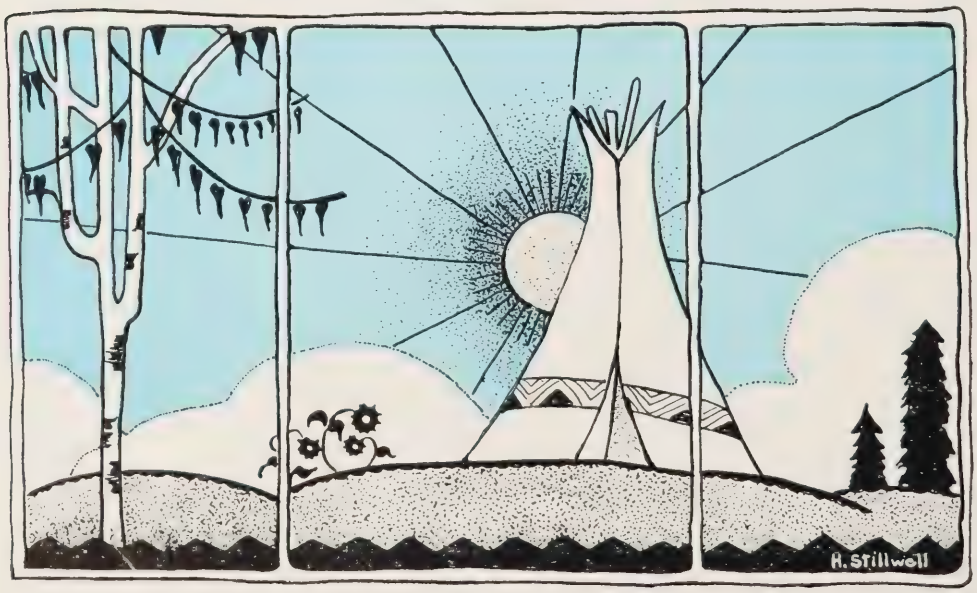

ALL SCHOOL PARTY

The first party to be given in Wantland Hall was a democratic affair since all the students of Central were guests. No one was supposed to have dates until after the party. Each club provided some form of entertainment and many of the amusements chosen were parties in themselves.

GIRLS' TEA

The presidents of the girls' clubs acted as hostesses at a tea given on March 26 in honor of Mrs. Henry Johnston, Mrs. Bertha Truitt, and Mrs. John Vaughan. All of the girls of Central were guests.

The orchestra played throughout the tea hour while punch and wafers were served.

WOOD'S FRIENDSHIP WITH MAN

Since the beginning Wood has befriended mankind—a constant associate and contributor to his comfort. From dwellings of wood—across seas in staunch wood ships—over wood bridged streams man has progressed. Not in the past 100 years have American mines yielded gold equal in value to one year's production of America's forests. This company alone manufactures above ONE BILLION feet of lumber yearly. Experienced builders regard the trade mark "Long-Bell" on lumber as assurance of maximum lumber value.

THOUSANDS MAKE THIS DISCOVERY EVERY YEAR!

They discover anew, that for the purpose which it fills, street railway transportation is the best and cheapest service they buy. This fact is making it possible to hope for a new day in the street railway industry.

Thousands of persons who are accustomed to using their automobiles, are forced for one reason and another, to leave their cars at home. They find that in addition to avoiding the traffic worries and parking annoyance, they effect not only an actual saving in time but also in money.

For none will say that an auto can be driven through traffic for anything like the nominal amount of car fare.

Ride the street cars, co-ordinated buses and interurbans. Service is constantly being improved.

Ellis Nantz—"Are you rushing some good prospects for club this year?"

Joe—"I should say so! Two fur coats, one Cadillac and three beautiful sisters".

Lesta—"Oh, Frank, Wake up. I just feel there's a mouse in this room.

Frank—"Well, just feel there's a cat too, and go to sleep."

HINTS FOR STUDY

1. Always wear a bathing cap—it keeps the mind from wandering.
2. When concentration is necessary, don't chew left-over Spearmint—It won't stick to the subject.
3. Never sneeze in the midst of study—seek less—overworked means of notoriety, such as throwing your eyes out the window.
4. Keep at hand a magazine of sentimental love stories, for use in case of napping. It makes a keen soft pillow especially if the plot is very mushy.

Pat Murphy was taking his first flight in an airplane. The pilot was taking him over New York city. When they were up about three thousand feet the plane suddenly went into a nose dive.

"Ha, ha!" laughed the pilot, shouting to Pat. "Fifty per cent of the people down there thought we were falling."

"Sure," admitted Pat, "and fifty per cent of the people up here thought so too!"

Memories Live

through pictures

The visual image of these dear spots will recall good times—friendships—loves. Through SWECO master-engraving, each tender memory has been preserved for you. "Your Story in Picture—Leaves Nothing Untold"—should you later have use for engraving, will you not remember kindly—
